

Dear Michael

Thank you for your email and I completely understand your concern. I would appreciate seeing the article and have no idea who spoke on behalf of Rushmoor.

I can assure you that there are no immediate plans for the Leisure Centre although we are looking at regenerating this area in time. That said we would always want a Leisure Centre to be a part of that and would engage with the public well in advance of any development with detailed proposals.

I hope that gives your members the reassurance they need.

Hello there

I am a Member of Rushmoor Indoor Bowling Club, which is based at Farnborough Leisure Centre, Our Members are concerned at the recent published article about the future of the Leisure Centre, as I understand the situation, the Lease on the Leisure Centre comes up for renewal in early 2019 ? the Current Leaseholders are being asked to Bid plus any other Interested parties, our Members (currently 330 +) mostly 65 years of age +, are concerned that in the Article RBC are saying that the future of the Leisure Centre in its present Useage is uncertain ?? It could be used for Housing ? a Car Park ? or kept as a Leisure Centre ? Could you re-assure our Members that RBC will continue to use the Building as a Leisure Centre for the foreseeable future ?

Thankyou

Michael (Club Captain RIBC)
