

Morning Colin

My thoughts:

I have read David Clifford's response to Michael Pearce, and the other article, thank you.

I believe we should all contact our ward councillors on this matter, regardless of David Clifford's response. I believe that 'Retail' is the driver of Rushmoor Borough Council, the civic quarter must be for the enjoyment of Rushmoor's population and visitors.

If the plan goes ahead with demolishing the centre, **all age groups** must be considered when rebuilding a sports complex.
