Hello there

Just to confirm from this mornings meeting , 4 or 5 weeks ago I had a long conversation with Peter Amies, RBC, he told me that RBC had offerered the existing Leisure Centre Operators with an Extension to February 2021.

The period up to February 2021 will allow Public Consultations to determine what, if any new Leisure Centre will look like ??

Peter Amies suggested we collate details of Members, ready for a future Meeting/ Presentation to RBC, he suggested that the following details should be Collated ...

Total number of Members...

Male Members .....

Female Members.....

Age Range of Members (suggest use age selection on our Membership Form)

Number of Members who live in Rushmoor Postcode Area.....

Number of Members who live outside Rushmoor Postcode Area...

We should ask U3A for the same details for there Members.

They would also like details of Away Matches that we play, Friendly against Chawton, Hampshire IBC Fixtures, Hampshire Patrons Fixtures, this will show that we represent Rushmoor to a wider audience. Perhaps if there are any ? Individual competitions against opposition from outside Clubs.

Michael
