Dear Mr Newman

Apologies for the delay. The additional copies of leaflet 04 are currently being printed for you and will be available for collection in the morning. If you could let me know the most convenient place for you to pick them up from – either here at the Council Offices or at the Leisure Centre – I will make sure they are available.

In recognition of the delay, GT3 have agreed to extend the deadline for the completion and return of the leaflets by your club to Monday 28 January. I hope this helps.

Regards

**Sue Adams**

Mr Newman,

I was aware that GT3 were going to get you some leaflets but not anything else. Sue Adams has been our liaison person with GT3 so I have copied her in so that we are able to join things up.

Regards

Paul Brooks

Mr. Brooks.

I represent the Rushmoor Indoor Bowling Club as Hon. Secretary.

I have been trying to get hold of the leaflets 04 but the architects say that they have to see you (The Council) first and at my visit this morning to your offices, was told that the architects took them.

Time is running out for a deadline of 25th inst which from the first public consultation, was rather short.

I trust you can help.

Regards. D. Newman.
